

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

Claims 1-9 (cancelled)

Claim 10-12 (cancelled)

Claim 13 (previously presented) A tile installation fixture, comprising:

a tile support rail; and

a border disposed collinearly with said tile support rail, said tile support rail being lower in elevation than said border, said border incorporating a raised surface adapted to run along said tile support rail and at least one substantially tapered fascia extension projecting beyond said tile support rail, said at least one substantially tapered fascia extension including on one side a receptacle connector of a substantially triangular configuration.

Claim 14 (previously presented) The tile installation fixture of Claim 13, wherein said substantially triangular receptacle connector is adapted to mate with a connector prong on a complementary tile installation fixture.

Claims 15-17 (cancelled)
